

Pirate Logical

Follow these instructions to name and dress the pirates

By Luca, aged 9, from Wilen, Canton SZ.

1. One pirate is called Blackbeard. He isn't left, he isn't in the middle.
2. Draw a black hat on Blackbeard and colour his shoes black.
3. Draw a black beard on Blackbeard.
4. Bluebeard is in the middle. Draw a blue beard on him.
5. Bluebeard has forgotten his hat but draw him some blue hair.
6. Redbeard has red hair and black shoes. His trousers are black.
7. Redbeard has a black hat with a red feather. What colour is his beard? Draw it.
8. Don't forget the parrots! Redbeard has a yellow parrot.
9. Bluebird has an orange parrot. Blackbeard's parrot is green.
10. Colour the rest of the pirates' clothing in colours that you choose.

Name the pirates
